

# Extraction to Analysis

Name: \_\_\_\_\_

After viewing the video on fish aging, number the steps in the correct order.

<p>Age structure graph compiled</p>		<p>Fish filleted</p>	
<p>Otoliths are placed into a resin block</p>		<p>Data entered into database</p>	
<p>Fish frame/s taken to the Department of Fisheries</p>		<p>Slide viewed under microscope and growth bands counted</p>	
<p>Resin blocks are marked and sliced</p>		<p>Otolith slice is mounted on slide</p>	
<p>Fish is caught</p>		<p>Researcher extracts otoliths</p>
