

# Lesson: Spectacular Sea Monkeys

## Phase of learning

Years 5 - 6, Years 7 - 8, Years 9 - 10

## WA Curriculum

K-10 English, K-10 Science

## Region

North Coast

## Summary

Students will learn about Artemia (also called brine shrimp or sea monkeys), their biology and why they are important.

## Outcomes

- Students will work through a short Presentation to learn about Artemia.

## Duration

30 minutes

## Steps

1. Work through the Powerpoint Presentation: [Artemia \(Sea Monkeys\)](#) with your class and discuss facts about Artemia.
2. Provide students with Student Worksheet 1: [Amazing Artemia](#), allow time to complete and then engage students in a discussion about their answers.
